

New Business Flow for the Pharmaceutical Affairs in Japan

*How to
export and sell
cosmetics and
quasi drug?*

*How to handle
promotion goods
and samples
on trial?*

*No need to
employ
pharmacist and
technical
officer!*

**From productization to
system logistics...**

We also offer:

**Notification (cosmetics) and
Authorization Application (quasi drug)
for your marketing business license.**

- Complete management system for GQP and GVP
- Capable of small-lot productization
- Arrangement for your import and export requirements
- Priority on your delivery deadline
- Easily access storage warehouse

Tracing Implementation and Data Consolidation

※1 Even if you have marketing business license for cosmetics or quasi drug, Medilex can still help you with your operation. In case any pharmaceutical application is needed, Yoshida Legal Office is available. ※2 In addition, we can reduce your office work with fast and quality service.

Let's Build up your Logistics

Step 1. Interview

Clarification and information-sharing of problems that need to be solved.

Schedule is arranged to meet your request.

Step 2. Suggestion

Provide the solution of problems.

Consultation related to Pharmaceutical Affairs Act is also available. (Yoshida Legal Office)

Step 3. Detailed Planning

Detailed planning is made in close cooperation with you.

Step 4. Start of Operation

Verification and revision are made for smooth operation.
